

“There’s no such thing as ghosts,
you know,” my mummy said last night.

Today I’ll go exploring,
just to see if she is right.

I’ve packed my ghost-detector kit.

There’s **SUCH** a lot to do!

And so much searching to be done so
could **YOU** help me too?

“There’s no such thing as ghosts,” they say.

I tried the attic first.

No ghosts up here – just cobwebs, eek!

And spiders. They’re the WORST!
