For Isla and Lily—A.L.

Thank you to Mrs Sumie Naito,
a book editor, who first asked me
to translate English picture books.—K.K.

Paper used in the production of this book is a natural,
recyclable product made from wood grown in sustainable forests.
The manufacturing process conforms to the environmental
regulations of the country of origin.

Oh, hello!
I'm glad you came.
It's time to play
my FAVOURITE game.

It's loads of fun.
This game's unique!
I call it . . .

DINOSAUR HIDE-AND-SEEK!

Before we seek,
before we play,
these dinosaurs
must hide away.

So close your eyes
and count to ten;
then count from ten
to one again.

5 6
4 7
3 8
2 9
1 10 ...

Here we come! Ready or not!
We hope you're in your hiding spot!

Stegosaur is a crafty fox;
he's hiding somewhere in these rocks.

Triceratops likes to wade and stomp
out here in this muddy swamp.
